

1 Delegate Schloeder.

2 DELEGATE SCHLOEDER: Yes, sir.

3 THE CHAIRMAN: Let the Chair make this observa-
4 tion. The Chair is disposed to restrict questions to the
5 delegates and to those offering amendments to the time
6 allotted for that purpose.

7 There will be a question period now for the
8 sponsor of this amendment. The question period for this
9 amendment is now, not later.

10 Delegate Schloeder.

11 DELEGATE SCHLOEDER: Delegate Byrnes, if this
12 body were to decide that multi-member districts would be
13 retained in the Constitution, would this in any way alter
14 your attitude toward this amendment?

15 THE CHAIRMAN: Delegate Byrnes.

16 DELEGATE BYRNES: I would say no, because
17 presumably the multi-member districts, whether they be
18 three, two, or one, would be established, according to the
19 legislative branch recommendation, within the local subdivi-
20 sions that we now know and this of course is the problem
21 that this amendment is directed to.
